BURR TO SOUTH DAKOTA UNIVERSITY

SUPERVISOR OF VITALIZED AGRICULTURE TO BROOKINGS.

HEAD NEW DEPARTMENT

Has Been Employed for a Term of One Year for Rural School Agriculture Work.

W. H. Burr, supervisor vitalized agriculture of Nodaway county, has accepted a position as instructor of the department of rural school agriculture of the State University at Brookings, S. D. Mr. Burr is to take his position before May 27, as the summer term will open at that time. His employment is for a term of one year.

Mr. Burr is well qualified to head such department. He has been connected with the schools of this county for the past thirteen years. He has taught at Excelsior, Champaign, Lasher, Glendale and Pickering. He was one of the first teachers to put in the teaching of vitalized agriculture, that being four years ago at Glendale. Pickering decided to put in such a course in its high school and hired Mr. Burr as its principal for that purpose. He remained with the Pickering school for two years and made such a success that County Superintendent Bert Cooper offered him a position as supervisor of the vitalized agriculture work in this county. During this year thirty-six rural schools had added that course. There are seventy-one schools now in the county teaching vitalized agriculture.

Mr. Burr was one of the instructors at the University at Brookings last summer. Miss Maude Whitehead of this county was also an instructor in the vitalized agriculture department. The university has an attendance of about 1,500.

A copy of a Brookings newspaper had the following:

"A department of rural school agriculture, headed by W. H. Burr, today considered the strongest man in the country in the teaching of agriculture in rural schools, will be established at South Dakota State College next year.

"Mr. Burr's work in Missouri rural schools was so out-standingly successful that he was made supervisor of rural school agriculture in all the Nodaway county (Missouri) schools.

"He has done etxensive institute work in different states with rural teachers and will be available for institute services in South Dakota beginning this summer. He will have charge of the work in rural school agriculture at the State College summer session, beginning May 27."

TWO STORES BROKEN INTO AT CLYDE; GOODS TAKEN

Enis Merc. Co., and the Big Four Store Entered During the Night Last Night.

Two stores, the Enis Mercantile store and the Big Four Hardware store, were broken into at Clyde last night and goods valued at $400 was taken from each store. No clues have been found but it is generally thought the robbers escaped with booty in cars, as automobiles were heard going through the town between midnight and 2 o'clock. Gabe Purcell, deputy sheriff of Conception, is working on the case.

The robberies were not discovered until about 7 o'clock this morning when the proprietors of the stores went to open up and found the front doors of both stores open. The locks had been pried off.

Goods stolen from the Enis store consisted mainly of clothing, shoes, overalls, underwear, etc., and tobacco. From the hardware store, the robbers carried off fire arms, silverware of all kinds and harness.

TWO TENNIS TITLES GO TO MARYVILLE

GIRLS WIN BOTH SINGLES AND DOUBLES

CENTRAL WINS HANDILY

Allan and Eversole of Maryville Get As Far As Finals In Boys' Doubles

Maryville tennis entries won the championship in girls' singles and doubles and were runners-up in the boys' doubles played yesterday and this morning on the college courts.

Miss Ruth Miller successfully defended the title she won last year when she again triumphed in the final match over her cousin, Miss Helen Miller of Hopkins. She won the first set in easy fashion, 6-0, but met greater resistance in the second which she won, 6-4. She had previously drawn a bye and remained idle while her cousin defeated Miss Jennie Clark of Bethany, 6-2, 6-3.

The girls' doubles' team also won the championship in a match with Misses Dolores Guymon and Jennie Clark of Bethany, 6-3, 6-2. The play in this match was fast and snappy.

In boys' doubles, Russell Allan and Ralph Eversole won their semi-finals match from Packer and Moles of Liberty, 6-5, 5-6, 6-3. Both teams played fast tennis. The games remained about even at all times except in the last set and the score many times went to deuce. By agreement, deuce sets were not played, the first to win six games being declared the winner.

Allan and Eversole lost in the finals to Laughlin and Swank, the crack St. Joseph combination, 3-6, 2-6. They played good tennis, but Central clearly had the superior team. The Maryville team won in the preliminaries from Bratcher and Sipes of Graham and the Central pair had defeated Hopkins, 6-0, 6-3.

Swank, Central star and last year's champion, repeated his victory in boys' singles, defeating Packer of Liberty in the finals. The results of the singles matches were as follows:

Swank, Central, defeated Allan, Maryville, 6-0, 6-1.

Sylvia Rogers and Merlin Warchime, representing Ravenwood high school, won the debating championship of Northwest Missouri by unanimous decision of the judges in the college auditorium last night. Their opponents were Florine Pollard and Homer Williams, representing Barnard high school.

These two Nodaway county high schools had earned the right to take part in the final debate by meeting and defeating the teams of other schools all over the district. Both teams were composed of exceptional debaters, who are to be commended upon their able treatment of the subject last night.

The Ravenwood team had the affirmative of the question: Resolved, That a federal law providing for compulsory arbitration between employer and employee would be feasible. The Barnard debaters, taking the negative side, vigorously assailed the proposed measure and especially the Kansas industrial court law, but the decision of the judges was 3-0 for the affirmative.

Miss Rogers and Mr. Warchime handled their material in a manner showing them to be veterans. Their delivery was good, that of Miss Rogers being especially emphatic. Both seemed more at home on the platform than their opponents. The reasoning of both teams was well worked out and good use made of the authorities quoted. Miss Pollard and Mr. Williams presented a cogent argument, but their delivery was less effective than that of the Ravenwood debaters. Their rather excessive use of notes may have lost them points with the judges.

Miss Reba Tomlin, superintendent of the Ravenwood school, coached the team which won the championship. Superintendent C. F. Ross trained the Barnard representatives.

The judges in both debate and extemporaneous speaking were Prof. T. H. Cook, Prof. Henry A. Foster and C. Edwin Wells, of the college faculty.

Covell Roberts of Maysville high school, diminutive orator, who appeared on the platform in knee trousers, won the decision of the judges in the boys' extemporaneous speaking. He spoke upon the question of German indemnity.

Euclid Brenton of Savannah was second, A. D. Otto, Kingston, third, Louis Baum, St. Louis Benton, fourth and John Query, McFall, fifth.

In the extemporaneous contest for girls the places were awarded as follows: First, Irene Froman, Liberty; Second, Dorothea McLain, St. Joseph, Benton; Third, Cora Carter, of Martinsville and Frances Bonewitz of Savannah tied; Fourth, Nettie Price, Maysville.

Only the winners of the first two places in these events were announced last night, the rest being posted this morning.

MILE RELAY TEAM SETS NEW RECORD

LOWERS TRI-STATE MARK 1 2-5 SECONDS AT TARKIO.

TAKE SECOND IN MEET

French Leaps 20 Feet, 3½ Inches in Broad Jump—Walter Smith 2nd in Half Mile.

Maryville high school's record-breaking mile relay team came up to expectations yesterday. Running in perfect form, French, Barry, Davenport and Smith distanced the fast quartet of Beatrice, Neb., by fifteen yards and lowered the old tri-state record by 1 2-5 seconds. This performance, with a first in the running broad jump and second in the half-mile, gave them second place in the meet.

The new time established by the high school's quartet of quarter-milers is 3 minutes, 43 seconds. The average time for each man was 55¾ seconds, which is but ¾ second above the record in the 440-yard dash in the Northwest Missouri High Schol Association's meet here.

Coach L. E. Ziegler took a full team to Tarkio, but decided early in the meet to withhold the members of the relay team from other events in order to keep them fresh for their assault upon the old mile relay mark of 3 minutes 44 2-5 seconds. He was also wary of over-exertion that might injure the team's chances to win the home meet today.

Raymond Barry won his heat in the preliminaries of the 100-yard dash and also qualified in the 220-yard dash. Donald Davenport easily finished first in his heat of the latter event, crossing the tape several feet in front of his nearest competitor. Neither entered the finals, however.

Bennett French won the broad jump with a leap of 20 feet, 3½ inches. He bettered this record by several inches on another trial but his jump was fouled.

Walter Smith, running his first race on the Tarkio track, was caught in a jam of closely bunched runners and seriously handicapped in the first part of the half-mile. He tried hard to make up the distance lost, but the best he could do was second. The time of the winner was 2 minutes, 12 seconds.

Masters and Hall entered the mile run but did not place. The latter finished fifth in a large field. The hurdles, in which Maryville has strong entries are not run in the Tarkio meet.

French was Ziegler's choice for lead-off man in the relay. He was pitted against one of Beatrice's fastest men and came to the finish line about fifteen yards behind. Barry closed up the gap to less than ten feet. The touch-off lost Davenport several feet, but he regained the distance and gave Captain George Smith an even start with the Beatrice anchor man. Smith passed his opponent on the first turn, took a fifteen yard lead and held it.

The mile relay is not offered in the meet here. The same men, however, have been completing the half-mile distance in time better than the exisiting record.

Beatrice, Nebr., finished first in the Tarkio meet with 52 points. Maryville was second with 13, and Tarkio was third with 7 points.

Jennie Lind Carey, who was entered in girl's declamation, did not qualify for the final events in the evening.

Miss Velma Appleby, a student of Missouri University at Columbia, arrived here last night to spend the week end visiting her parents, Mr. and Mrs. John Appleby.

U. S. ACCEPTANCE WELL RECEIVED

NEWS OF AMERICA TO PARTICIPATE PLEASES ALLIES

HARVEY TO THE COUNCIL

Delegates To Reparations Commission an Ambassadors' Council To Be Unofficial.

London, May 7,—The news from Washington that America will re-enter the councils of the Allies and will participate actively in further meetings of the supreme council, reparations council and council of ambassadors was received with deep satisfaction in official circles today. It was pointed out America's action will probably exert a tremendous influence upon Germany to accept the Allies indemnity terms.

Washington, May 7.—One of the first matters of major international importance when Col. George Harvey, acting as personal representative of President Harding of America, will bring to the attention of the Allied Supreme Council is the matter of universal or approximate disarmament. This is the clear understanding prevailing here today among those in the senate and house who have been consistently advocating that the aministration initial steps be to call a general conference of nations in Washington. Harvey's activities in this direction will necessarily be delayed until Germany reparations and Yap questions are permanently disposed of but at the proper time Harvey will bring the attention of the other great powers toward some restrictive action which would halt disarmament of the race.

The decision to have the United States represented at the supreme council, ambassador's council and reparations commission, was reached following a long and full discussion at yesterday's cabinet session.

Ambassador Wallace and, shortly, the new ambassador, Myron T. Herrick, will sit in the ambassador's council at Paris, but purely in an unofficial capacity as an observer.

Roland W. Boyden of Boston, who has been representing the United States in connection with reparations affairs, will sit as unofficial observer on the all-important reparations commission.

ZEIGLER'S TEAM WINS TRACK MEET

MARYVILLE CAPTURES CHAMPIONSHIP AND RELAY CUPS.

440-YD RECORD BROKEN

Davenport Lowers Mark to 54 Min. 25 Sec., Albany and New Hampton Win Cups.

The Winners.

Championship Cup, Class A.—Maryville.

Championship Cup, Class B—Albany.

Championship Cup, Class C—New Hampton.

Relay Cup, Class A—Marville.

Relay Cup, Class B—Albany.

Relay Cup, Class C—New Hampton.

For the first time in twelve years of competition, Maryville high school this afternoon won the track and field meet of the Northwest Missouri High School Association. Donald Davenport, running on a track slippery with mud, lowered the old record in the 440-yard dash by 3-5ths of a second, and the high school half-mile relay team equaled the record of 1 minute, 38 4-5 seconds.

Only the inch of mud underfoot saved other resords from being smashed by the speedy wearers of the green and black, and on a dry fast track athletes from other schools would also have bettered old marks.

George Smith, captain of the Maryville squad, was second in the 440-yard dash by virtue of winning his heat. Had he been pushed he would also have smashed the old time of 55 seconds, even on the muddy track.

Albany was an easy winner of the championship cup in Class B, and New Hampton in Class C, completely outdistanced all the other schools.

The relay teams were called to the mark just as the clock was striking six. Much credit for running the meet off in such good time in spite of weather handicaps is due Coach Robert Rice, in charge of the meet, and to the Rev. J. A. Cooper, who kept the field events moving on scheduled time.

Maryville high school took an early lead in the track meet this afternoon with first places in the high hurdles 220-yard dash and the pole vault, third and fourth in the shot put, fourth in the standing broad jump, third in the 220-yard dash, and a tie for third in the pole vault. Central of St. Joseph scored heavily in the early events, and Bethany, Trenton and Liberty were well up in the running.

New Hampton piled up a considerable lead in the early events over Barnard, its nearest competitor. Barnard was a late entry in the meet, taking the place of Stanberry, whose team did not appear.

Albany was slightly in the lead in the early part of the meet in Class B. Maysville, Savannah and Hamilton were running a close race for second place.

After a light rain during the night, the sun came out just as the meet was scheduled to start. Later it went behind the clouds again and rain threatened, but it again cleared. The track was slow and footing treacherous for the jumps.

The rain scared away the monster crowd that undoubtedly would have attended under favorable conditions. Three hundred people had planned to come in automobiles from Savannah, accodring to visitors who came from there on the train. Only about fifty of these made the trip on the train. A few cars made the journey over muddy roads. The roads leading into Maryville were not impassable, but the rain was heavier in the south.

ZEIGLER'S TEAM WINS TRACK MEET

(Continued from page 1)

The morning preliminaries were called off and the track given a chance to dry. After meeting with several delays in the afternoon, it was decided to run the track events without preliminaries, the judges timing each man and the winners declared on that basis.

Points were about evenly distributed in the first five finished in Class A, with Maryville possessing a slight lead. When Davenport crossed the line in the best time in the 220-yard dash and Smith won third in the same event, it gave the local team a commanding lead, with almost sure points to come in other events.

Trenton, winner of the Trenton, and Kirksville meets and the Cameon contests yesterday, was first reported as not coming, but the team was on the field when meet started. Hudson, who made the high hurdles there yesterday in 17 seconds, was beaten by Captain George Smith of Maryville.

Trenton won the Cameron meet with 35 points, and Braymer was second with 16. Cameron scored 10 5-6 points, Hamilton 10-1-3 and Liberty 8. Hudson was individual point winner with first place in the high hurdles and discus and second in the high jump.

Hensel of Liberty, who won the shot put in Class A, also won that event at Cameron and was second in the discus. Trenton men won the 220-yard dash, the 440-yard dash and the 880-yard run there.

TOMORROW IS MOTHER'S DAY---SPECIAL SERVICES

Thousands Will Wear A White Carnation—May 8 Made A Holliday by an Act of Congress

Tomorrow is Mother's Day. The white carnation will be worn as a tribute to mother. It is the custom on Mother's day to go to see or write to mother, or if she is dead, to do something which would please her, if she were living.

Miss Anna Jarvis of Philadelphia lost her mother in 1908. By way of showing her appreciation for the good gifts she had received from her mother she undertook to obtain one day in the year as an international holiday in honor of motherhood.

The second Sunday in May was selected as Mother's day, and the carnation, because of its purity of color and its growth everywhere, was selected as the flower to be worn on that day. Within three years Mother's day was celebrated in forty-four states and a few years later Mother's day was made a national holiday by an act of congress.

Special services will be held in most of the churches as a tribute to "The Mother."

MAY CHANGE COUNTY UNIT LAW AT SPECIAL SESSION

A Modification Desired To Permit Local School Districts To Sell Bonds

Jefferson City, May 7.—An attempt may be made at the session of the legislature to make a slight change in the county unit law so as to permit local school districts to sell their bonds prior to the new law taking effect.

The county unit law goes into effect June 19. The election of the new county school boards in August. But according to Samuel A. Baker, state superintendent of schools, an entire change of the rural school administration does not become effective until July, 1922. In the meantime, Mr. Baker pointed out, some of the districts taken over by the county boards are complaining because they are unable to market their school bonds.

"I will say, however, that good results have come from the county unit law, said the state superintendent. "There are increased efforts by the first class high schools, excluded from the provisions of the county unit bill, to raise their standards. A disposition is found to pay better salaries so as to obtain better teachers and better superintendents."

Next Week At the Movies

At The Empire

Wallace Reid in anothr thrilling automobile picture, "What's Your Hurry?" will be the attraction Monday and Tuesday. Like its predecessors, "The Roaring Road" and Excuse My Dust," the story was written by Byron Morgan.

The action centers around "Dusty" Rhoades, an auto racing driver in love with Virginia, daughter of Pat MacMurran, manufacturer of Pakro trucks. In an effort to win favor from the irascible Pat, "Dusty" abandons racing and becomes publicity man for Pakro trucks. But his well meant efforts only land him deeply into the bad graces of Pat, whose bad temper has been further aggravated by his own failure to secure an expected order for trucks from the Cabrillo Irrigation Co. "Dusty's" opportunity comes when the Cabrillo company's dam starts to give way in a raging storm. He leads a fleet of Pakro trucks into the breach and not only saves the dam, but also rescues Pat and Virginia from possible death.

Lois Wilson supports Wallase Reid as leading woman in "What's Your Hurry;"

On Wednesday and Thursday, Elsie Janis, the well known actress will be seen in, "The Imp." The star began her career and won many laurels on the legitimate stage. She was particularly active in war work, and many soldiers remember her for the entertainment she did in France during the war. Judging by the newspaper reviews on her picture, "The Imp," it is an unusually good picture and one that should please Maryville theatre goers. A sunshine comedy will be shown Wednesday night and Pathe News Thursday night in addition to the Janis feature.

Two of the most popular stars on the local screen will be seen in action Friday and Saturday nights. Douglas MacLean and Doris May will appear in, "The Jailbird" a Paramount picture produced by Thomas H. Ince. The plot is centered around Shakespeare Clancy, a likable young chap, who is sent to prison for an offense of the law and escapes in a novel manner.

He falls heir to a small estate in Kansas, this including a newspaper of which he assumes the editorship. His advanced ideas of journalism estrange his townsmen and to get even, Clancy decides to victimize them by selling them stock in a fake oil deal. But at the last minute, a gusher presents itself and not only balks Clancy's plans, but enriches all concerned, himself included.

Having fallen in love with his society editor, Clancy decides that honesty is the best policy. He returns to prison to serve out his interrupted term and all ends happily. Doris May plays opposite the star and the support generally is high grade. The picture is exceptionally entertaining and is one of the best of its kind seen here in many months. The story was written by Julien Josephson, the director was Lloyd Ingraham while the excellen photography was the work of Ber Cann. It is well worth seeing.

AT THE ELECTRIC.

On Monday Douglas Fairbanks, a universal favorite will be seen in, "The Lamb," and Tuesday Dorothy Dalton will appear in "The Flame of the Yukon." No advance information is available on these pictures, but the star in each of them should be a strong recommendation.

"Are All Men Alike?" starring May Allison, will be the feautre attraction Wednesday and Thursday. This latest vehicle of the captivating Metro star presents her in the role of a rich young woman possessed with the idea of living her life in her own way, without let or hindrance. As such it carries the headstrong heroine into all manner of adventures in the Bohemian quarter of New York's night life, where she encounters men and men, and is finally rescued from a perilous plight by one man who was unlike all the rest.

"Are All Men Alike?" is Miss Allison's latest starring vehicle, and is conceded by many critics who have reviewed the picture to be her best. Briefly told, the story recounts the mishaps attendant upon the irregular order of life known as Bohemian and of the pitfalls that await young girls who deem themselves well able to take care of themselves under any circumstances whatsoever.

"Teddy" Hayden is an heiress not only of millions but of the will to have her own way, inherited from her self-made father. Being of age she insists upon taking up her quarters in New York's Greenwich Village and of becoming an artist among artists.

Miss Allison is said to shine with exceptional lustre in the part of "Teddy" Hayden. Supporting her is a notable cast including Wallace McDonald, John Elliott and Ruth Stonehouse. A. P. Younger adapted the production from Arthur Stringer's novel, "The Waffle Iron," which was published serially in McClure's Magazine. Philip E. Rosen directed the production.

Friday night is serial night and William Duncan will be seen in the next episode of "Fighting Fate." There will also be a two reel western picture and two reels of comedy.

Gladys Walton is coming Saturday night in her first picture as a full-fledged film star. The name of it is "Risky Business." Douglass Doty and John Colton wrote the story about the personality of little Miss Walton herself, who will be remembered as the featured lady in "Pink Tights," as the leading lady in "The Secret Gift," and as the ingenue in "La La Lucille."

She plays the role of a flip flapper, a girl of 18 who is full of fun, fight, daring, determination, melody, mischief and the devil. She celebrates the Sabbath by shooting craps with the other flappers and fellows of her set, gets pushed in the lake and rushes dripping wet into the immaculate arms of an unwelcome suitor she wishes to discomfort. Not permitted to attend the masque ball given for the married set she determines to go anyhow and executes a wild dance that demoralizes the party. Then she unwittingly aids a society Raffles to escape and enlists his aid in an affair of her own, finally falling in love with him, making him give back his loot, and then smuggling him away so he escapes the police.

Louis Willoughby has the principal male part as the dashing, gentlemanly imposter, while important players in the cast are Nanine Wright, Lillian Lawrence, Maude Wayne, Frederic Malatesta and Grant McKay, Harry Harris directed the production.

The scenes are laid in and about Palm Beach, giving opportunity for picturesque locations and beautiful sets, and permitting the feminine members of the company to wear some stunning gowns.

Helen Dean Here.

Miss Helen Dean, a teacher of Faucett, Mo., is spending the week end visiting her father, Dr. L. E. Dean, sister, Virginia Belle Dean and grandmother, Mrs. Steele.
